Authorization for this examiner's amendment was given in a telephone interview with Kendrew Colton on 11/20/07.

Statement of Reasons for Allowance

3. The prior art, as exemplified by DeGonia, Esche, and Migdal which are cited in the previous office actions, does not disclose or suggest a polyisobutylene on the side group of the bis-succinimide, nor does it disclose or suggest an imide-amide substituted polyisobutylene substituent for the succinic group. A STIC structure search was performed and did not find any compound meeting the limitations of claims 49-54.
